# UPDATES

## »»» THE FINAL MEETING

On the 23rd-24th of January 2024, the Erasmus+ KA2 Adult Project: INNOVA – Migrant Inclusion through Education and Skills Validation in Europe, took place at the premises of Emphasys Centre in Nicosia, Cyprus.

The project aims at developing an effective immigrant qualifications and competencies recognition and validation process, that provides immigrants with equitable access to appropriate learning: with the aim of improving their employability, broadening their skills, and encouraging retraining and professional specialisation.

During the meeting, the finalisation activities were discussed, the trainings of the adult trainers and trainees along with the planning of the Multiplier Events in each partner country.

## »»» NEXT STEPS

The partners will proceed with conducting the Multiplier Events in each partner country and finalising all products ready for keeping the project alive after its completion!

**Stay tuned!**
